The Code of Behaviour details:

1. The standards of behaviour that shall be observed by each pupil attending the school;
2. The whole school approach in promoting positive behaviour;
3. The measures that shall be taken when a pupil fails or refuses to observe those standards;
4. The procedures to be followed before a pupil may be suspended or expelled from the school concerned;
5. The grounds for removing a suspension imposed in relation to a pupil
6. The school's Anti-Bullying Policy; and
7. The procedures to be followed in relation to a child's absence from school.

The Code of Behaviour of Scoil Mháthair Dé has been developed in accordance with '*Developing a Code of Behaviour: Guidelines for Schools*', National Educational Welfare Board, 2008.

## 2. POLICY FORMULATION

In formulating this policy the Board of Management completed the following steps;

- i. Parents and Staff were informed that an initial draft of the Code of Behaviour was available and they were invited to make submissions on the content of the code within a specified timeframe.
- ii. Class teachers were requested to discuss the topic of 'rules' with their classes and submit a list of pupils suggestions to the Principal.
- iii. The initial draft of the Code of Behaviour was reviewed and where appropriate amended in-line with the feedback received.
- iv. The finalised draft of the policy was submitted for the Patron's Approval.

## 3. AIMS & OBJECTIVES OF THE CODE

The aims and objectives of the code are:

- To allow the school to function in an orderly way where children can make progress in all aspects of their development
- To create an atmosphere of respect, tolerance and consideration for others

- To ensure the safety and well being of all members of the school community
- To assist school staff, parents and pupils in understanding the systems and procedures that form part of the code of behaviour and to seek their co-operation in the application of these procedures
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner throughout the school.

## 4. WHOLE SCHOOL APPROACH

The Board of Management recognises the importance of creating consistent values, policies, practices and relationships that support the Code of Behaviour. Such an environment may only be formed by involving the entire school community and in this respect the Board acknowledges the importance of the roles played by, the principal, teachers, ancillary staff and parents in the review and operation of the Code.

## **5.2 Staff**

It is the Principal's responsibility to ensure the school's Code of Behaviour is administered in a manner that is consistent and fair to all pupils. However each staff member has responsibility for the maintenance of discipline within common areas of the school.

Teaching staff are specifically responsible for the management of behaviour within their own class.

They will:

- Discuss the Code of Behaviour with their class in an age appropriate manner at the beginning of the school year.
- Ensure the rules are displayed in the classroom.
- Encourage self-discipline and positive Behaviour.
- Ensure there is an appropriate level of supervision at all times.
- Implement the reward/sanction scheme in a fair and consistent manner.
- Keep a written record of all incidents of continued, serious or gross misconduct. This record will indicate the advice and/or warnings given to the child on the misbehaviour and, the consequences of its repetition.
- Inform pupils when instances of misbehaviour on their part are being recorded.
- Report repeated instances of serious misbehaviour to the Principal.

## **5.3 Parents/Guardians**

Parents/guardians play a crucial role in shaping attitudes in their children which produce positive Behaviour in school. Parents/guardians can assist the school by encouraging their children to abide by the school rules, encouraging punctuality and regular attendance and by ensuring that homework is given due time and effort.

Should a parent/guardian be concerned about any aspect of their child's behaviour they are welcome to make an appointment to discuss their concerns.

In cases of an identified pattern of misbehaviour parents will be invited to participate in the intervention process.

## **6. PROMOTING POSITIVE BEHAVIOUR**

As a general rule the school will endeavor to create an environment where positive Behaviour is reinforced through praise and reward. School staff will use encouraging language and gestures, both in class and around the school, so that positive Behaviour is instantly recognised and positively rewarded. Special attention will be paid to pupils who have previously been associated with poor Behaviour so that not only good Behaviour but also improvement in Behaviour is acknowledged.

A reward scheme for promoting positive Behaviour will be used. Such rewards will include;

- 'Student-of-the-Week' (Dalta-na-Seachtaine) award in each class
- 'Line-of-the-Week' (Líne-na-Seachtaine) on both yards
- Recipients of the above awards are included in the 'Dalta-na-Seachtaine' Noticeboard
- Certificates given weekly by teachers to pupils who achieve this award
- Golden Time where children may choose non academic activities
- Note to parent(s)/guardian(s) via the homework journal
- Special privileges

## 7. INAPPROPRIATE BEHAVIOUR

In order to establish a common understanding and consistent response the Code of Behaviour classifies misbehaviour into three levels based on the degree of disruption caused by the misconduct. The Code also specifies the disciplinary actions and supportive interventions that will be employed.

### Level One

#### **Level 1: Behaviours**

Level 1 behaviours are those that interfere with the orderly learning environment of the school, classroom, and common areas. Students learn through their mistakes. To this extent, responses to the daily behaviours, which occur in school, will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of Behaviour that are included in Level 1. Please note the list is not exhaustive.

- Failure to prepare for class, as defined by individual teachers
- Running in the hallways
- Disturbing the work or play of others
- Disrespectful language, tone, or manner
- Ignoring staff requests

#### **Level 1: Disciplinary Actions**

Consequences for Level 1 behaviour are dependent upon the severity and frequency of the specific behaviour. Teachers will discipline students at level 1. Some examples of Level 1 responses are:

- Verbal reprimand/reminder(s)
- Reinforcement of alternative positive behaviour
- Temporary separation from peers, friends or others
- Prescribing additional work
- Loss of privileges
- Parent contact
- Behaviour contract

#### **Level 1 Supportive Interventions**

Listed below are some examples of Level 1 supportive actions:

- Implementation of the 'Stop-Think-Do' Programme
- Establishment of a Behaviour Team from among the staff to support/advise staff or request
- Classroom-based interventions, such as Circle Time or class meetings, with the option of informal consultation, (e.g. with parent(s)/guardian(s) or staff members)
- Implementation of school-based 'Friendship Week'
- Classroom-based meditation sessions at regular intervals during the term
- Discussion of behaviour with the child
- Informal notes regarding incident/intervention/date. This information would be useful should a problem persist.

## Level Two

### ***Level 2: Behaviours***

Level 2 behaviours are those that seriously interfere with the orderly environment of the school and are potentially dangerous to the safety and well being of the students and staff. Listed below are some examples of the types of behaviour that are included in Level 2. Please note the list is not exhaustive.

- Repeated instances of Level 1 behaviour which have not been modified by intervention
- Behaviour which is dangerous to self or others (e.g. shoving, pushing, hitting)
- Intentionally damaging school or personal property
- Stealing
- Cheating
- Use of profanity
- Derogatory reference to another person's race, gender, religion, physical condition, disability, or ethnic origin
- Disrespectful language or behaviour toward an adult
- Possession or use of dangerous toys or sporting equipment (e.g. bow and arrows, any kind of knives, etc.)
- Leaving the school without permission during the school day or leaving the care of school staff during school outings.

### ***Level 2: Disciplinary Actions***

The disciplining of students for Level 2 behaviour is dependent upon the severity and frequency of the specific behaviour and developmentally appropriate levels. The disciplinary actions at Level 2 are administered by the Principal, and include the formal notification of parents, with written documentation. Some examples of Level 2 responses are:

- In school supervised detention
- Report submitted to the Board of Management
- Meeting with parent(s)/guardian(s)
- Suspension from school of one to five days, depending on the severity of the Behaviour
- Implementation of extensive Behaviour management plan

### ***Level 2: Supportive Interventions***

Listed below are some examples of Level 2 supportive actions:

- Team conference to include classroom teacher, other involved staff, Assistant Principal or Principal.
- Request for assistance from external agencies such as the National Educational Psychological Service, Health Service Executive Community Services, the National Behavioural Support Service, Child and Adolescent Mental Health Services, National Council for Special Education.
- Referral of a Child displaying behavioural problems for psychological assessment (with the parent(s)/guardian(s) consent).

## Level Three

### **Level 3: Behaviours**

Level 3 behaviours are considered the most serious violations. These behaviours endanger the immediate health, safety and personal well being of the pupils and staff of the school. They represent a direct threat to the orderly operation of the school environment. Situations, which include illegal activity, may result in contact with the Garda Síochána after parental involvement. Listed below are some examples of the types of behaviour that are included in Level 3. Please note that the list is not exhaustive.

- Repeated or serious instances of Level 2 behaviour which have not been modified by intervention
- Setting fires
- Intentional possession or use of weapons
- Violent fighting or intentionally causing physical harm to others
- Discriminatory or prejudicial activities or actions toward another person or group involving race, gender, religion, physical condition, handicap, or ethnic origin

### **Level 3: Disciplinary Actions**

Behaviour at Level 3 may involve suspension from school. The length of the suspension will depend upon the severity and frequency of the specific Behaviour. Specific information about due process and procedures in respect of the issuing of a suspension is contained in this document. Level 3 responses:

- **Suspension from school for one to five days:**  
This response will occur with the first incidence of Level 3 behaviour or Level 2 behaviour of significant severity. The Principal following due process and procedure, can issue a suspension.
- **Suspension from school for five to ten days:**  
This response will occur with the repeated incidence of Level 3 behaviour or a severe expression of this Behaviour. A suspension of this magnitude will only be issued with the approval of the Board of Management.
- **Expulsion:**  
Repeated incidents of Level 3 behaviour can result in a pupil being expelled.

## 11.1 Best Practice in the Prevention of Bullying Behaviour

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
  - is welcoming of difference and diversity and is based on inclusivity;
  - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
  - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
  - build empathy, respect and resilience in pupils; and
  - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

## 11.2 Definition of Bullying

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools, DES, 2013*.

### 11.3 School Contact Personnel

The relevant teachers for investigating and dealing with bullying are the class teachers

### 11.4 Education & Prevention Strategies

The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- Scoil Mháthair Dé will have an annual staff day/ CPD on the subject of bullying complemented by an awareness day for pupils and parents..
- Teachers can raise awareness of the prevention of bullying and the promotion of respect for diversity and inclusiveness through the SPHE curriculum. Specific provision for the exploration of bullying as well as the integrated areas of belonging and integrating, communication, conflict, friendship, personal safety and relationships.
- Personal safety skills will be explored through the Stay Safe programme which helps children recognize and cope with bullying.
- 'Friends for Life' programme is a school-based positive mental health programme from middle to senior standards in Scoil Mháthair Dé which helps students develop effective strategies to deal with worry, stress and change and teaches the skills required to reduce anxiety and promote resilience
- The continuous implementation of the 'Stop, Think, Do' social skills programme in all classes helps everybody in Scoil Mháthair Dé to develop an awareness of emotions and consequences of our actions in all social situations.

### 11.5 Investigation & Follow-Up Procedures

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:

- The primary aim for the relevant teacher in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved
- Parents and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Incidents will be investigated outside the classroom situation to ensure the privacy of all involved;
- The relevant teacher will seek answers to questions of what, where, when, who and why.
- If a group is involved, each member will be interviewed individually at first.

- Thereafter, all those involved will be met as a group. At the group meeting, each member will be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements
- At the discretion of the teacher leading the investigation pupils involved maybe asked to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parents of the parties involved will be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school will give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports for their pupils
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it will be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts will be made to try to get him/her to see the situation from the perspective of the pupil being bullied
- In a situation where disciplinary sanctions are required, the matter between the pupil being disciplined, his or her parents and the school is private
- Follow-up meetings with the relevant parties involved will be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.

## 11.6 Working with Pupils Affected by Bullying

The school's has a programme of support in place for working with pupils affected by bullying. Support teachers provide opportunities for pupils to participate in activities designed to raise their self-esteem. They help pupils develop their friendship and social skills by encouraging active participation in Friendship Week and in the organisation of social activities in school.

Part of the school's intervention process includes the implementation of the 'Friends for Life' programme which is of particular value to pupils affected by bullying. Pupils need assistance on an ongoing basis. Mainstream teachers work in conjunction with support teachers to devise individual programmes of support for pupils focusing on developing self worth and self esteem.

Speakers are invited to the school to speak to classes on developing an awareness on bullying. The Garda Community Programme provide speakers for class visits once a year and in particular to the middle and senior standards and wherever else support may be needed.

'Bluebox' work within the school and provide therapy for pupils who may be affected by bullying and pupils who are involved in bullying and may need counseling.

Pupils who observe bullying are encouraged to tell what they witness and their responsibility to do so is explained to them
