## **REQUEST REMINDER**

Dear Parents,

I'm appealing to you yet again, asking you to follow the request of the Mercy Order, the Sisters of Merch, Mount St Vincent's Convent, O'Connell Ave., Limerick

They request, through me, that I ask you please not to drive through their property, and park your car as you go to drop off/collect your children, or wait in your car for children to come out of school.

There are no parking facilities within the Convent grounds for parents or staff of Scoil Mháthair Dé to drive in as you come to bring your children to school or collect your children from school.

It was disappointing today to see so many cars, with parents waiting in cars, or parking, having to be asked please not to do this again.

Reminders and texts have been previously issued in this regard and I thank all those who have heeded those requests and have made other arrangements.

Let's give good example to all our pupils.

Let's honour the request of the elderly Sisters of Mercy who don't need us all in their private space.

I really don't want to have to take another phone call from the Convent asking us please, to adhere to their simple request and I certainly don't need to be in a supervisory role to see that this request is carried out.

Thank you!
